Bike Bull AGM PRO 520 01

Professional AGM Power for highest demands.

The new Bike Bull AGM PROfessional is a top product in original parts (OEM) quality. This premium AGM battery is used for Harley Davidsons and BMW bikes, as well as for models with ABS and numerous special features.

Due to its excellent stability in low temperatures, it is also ideal for snowmobiles. In combination with tipping safety, this leak-proof battery also stands out due to its vibration resistance and exceptional starting performance.

Symbol picture

PERFORMANCE

Top start performance

Maximum vibration and cyclical resistance

Absolutely maintenance-free

Totally leak-free

Installation in a lateral position possible

Excellent stability in low temperatures

Pre-charged and ready for immediate use

RF = vibration-resistant battery for motorcycle

With the sustainable batteries from Banner. 100% environmentally compatible used battery recycling.

OE = ORIGINAL QUALITY FOR RETROFITTING. Banner batteries meet exactly the stipulations of leading automotive manufacturers.

AGM = absorbent glass mat, which absorbs the battery acid and thus binds it in.

Twice the leak protection and 100% leak-safe up to an angle of 90°.

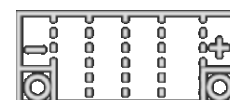

APPLICATION

for 12V battery system

TECHNICAL DATA

Type:	AGM PRO 520 01
OE Code:	ETX 20L
Battery Voltage:	12V
Battery Technology:	AGM PRO
Cold Cranking Amps:	310A (EN)
Battery Capacity:	18 Ah (K10)
Dimension:	175 x 88 x 155 mm
Layout:	0
Terminal Type:	10
Base Hold-Down:	B00

ITEM NUMBER

024 520 01 0101
